

EXPLORE NEW HEIGHTS

8' CAMBRIDGE SMOOTH STEEL DOORS

Introducing two 8ft additions to our ever-popular Cambridge Smooth Steel Collection! Today's trends are demanding larger than life openings with understated details. The simple and clean designs of the 1-Panel Flat Shaker and 6-Panel Horizontal make them the perfect, modern solution for large openings. No matter the project type, these 8ft doors are built to perform and are backed by a Limited Lifetime Warranty.

- Made from 22-gauge hot-dipped galvanized steel that resists warping, rotting, cracking, and corrosion
- Full steel-edge perimeter grants a Grade 40 Security Rating in the industry's toughest forced entry test
- 20-gauge hinge reinforcements
- Fire rated up to 90-minutes
- Polyurethane foam inner core for superior insulation
- Optional Adjustable Hinge Plate System
- Baked-on polyester primer accepts exterior grade latex paint
