

NEW TRUGRAIN™ PRE-FINISHED STEEL

Combine the look of wood with the strength of steel. Our pre-finished Trugrain™ Collection is finished with a 3-step, high-quality polyester paint system that includes a color base coat, woodgrain ink pattern, and a durable, scratch-resistant topcoat. Trugrain™ Steel doors are ideal for commercial and multi-family use with ADA embossment availability.

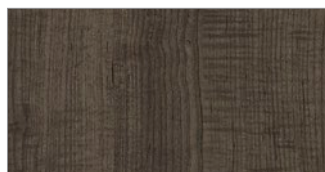

- 22-gauge hot-dipped galvanized steel
- Full steel-edge perimeter, granting an industry-leading Grade 40 Security Rating
- 90-minute fire rated
- Equipped with Adjustable Hinge Plate (optional)
- Polyurethane foam inner core provides superior insulation
- Scratch-resistant top coat
- No finishing or maintenance required
- 10-year limited warranty
- Available prehung, KD, or slab only
